

# The TAE Double Diploma Deal that boosts the now and the future!

## Be the best — Learn from the best!

As you may have heard, the process of getting TAE qualifications on scope is long and onerous. There is such a backlog that HBTAs has held back submitting the application for TAE50116 until this year.

TAE50216 Diploma of Training Design and Development **is on scope** and we are offering a course for training professionals based on the best choice of units to work in a compliance environment as well as leadership roles.

Gain a TAE50216 for the now and a TAE50111 qualification which can give you optimal credit transfer into TAE50116 in the future for minimal cost.

Duration: Up to 12 months without RPL.

The assessments in this program cover the following units in order to meet the requirements of both diplomas and also those skills emerging as essential for senior level trainers and assessors, training managers or compliance managers:

- TAEASS501 Provide advanced assessment practice
- TAEASS502 Design and develop assessment tools
- TAEASS503 Lead assessment validation processes
- TAEASS504 Develop and implement recognition strategies
- TAEDEL502 Provide advanced facilitation practice
- TAEDES501 Design and develop learning strategies
- TAEDES502 Design and develop learning resources
- TAEDES505 Evaluate a training program
- TAELLN501 Support the development of adult language, literacy and numeracy skills\*
- TAEPPDD501 Maintain and advance professional practice
- TAETAS501 Undertake organisational training needs analysis

\* Our TAELLN501 program integrates TAELLN411 competencies which will allow RPL into TAELLN411 for TAE50116 and TAELLN401A for TAE50111.

### The choices for taking this program are:

Face to face in a Flipped Learning program with one of our highly qualified and experienced trainers or those in one of our approved training partnerships. Australia Wide.

Distance learning via the mentored Interactive Learning Program which can include webinars.

Online learning is planned for 2017.

Entry into the Diplomas has no pre-requisites, but the program is only suitable for those already employed in a training role in an RTO, TAFE or in Industry or who can gain a vocational placement in such a role during the course to meet the practicum requirements. The program requires learners to work with real live vocational students and take a leadership role with other training and assessing staff.

**Other options are available:** RPL or upgrading from prior qualifications, RPL with Gap Training, alternative electives from the full range available, ability to undertake individual units or groups of units for PD. You choose!
